Why Are You a Munich Artist? (Truth Please) Love? Family? Work? Why the heck are you in Munich, Germany.

Your favourite Idiom from your own country in your own language explained in English to me. (Write it in your own language and then explain it to me in English... even if it is an English Idiom. I'm idiom naive.)

Please state that I can use your artwork for the Friday Gallery Book and for [munichartists.com](http://munichartists.com) and our social media channels. Write the statement below in your own words:
